

Bert & Ernie's Great Adventures Wizards Playset

Abracadabra!

Create your own wizard adventures with this magical, printable playset.

Instructions:

1. Print out the playset pages on paper or card stock and carefully cut out the characters along the grey lines.
2. Fold each character along the dotted lines to form a base.
3. Use a glue stick or tape to attach the front of the character to the back side.
4. Carefully cut out the scenery and the two support sections.
5. Fold the support sections along the dotted lines. Glue these to the back side of the scenery. The support sections should be attached to the far right and left sides of the scenery. Glue the supports about 1/2 inch above the bottom of the scenery.

Parent Tips:

- * With your child, act out his favorite episodes of Bert and Ernie's Great Adventures.
- * Encourage your child to explore the wizard school classroom. Ask your child, "How is Bert and Ernie's wizard school similar to or different from your own classroom?"
- * Wizards love to cast spells that rhyme! Invite your child to make up a silly rhyming spell like, "Wiggle jiggle, piggle, zock! Turn this block into a sock!"
- * Encourage your child to make up her own enchanted adventure with Bert, Ernie, and Elmo. What happens in the beginning, middle, and end of her story?
